Home Occupation Rules and Regulations:

- A. Employment: Home occupations shall not employ more than one person that is not a member of the family living on the premises.
- B. Enclosed Structures: Home occupations shall be conducted entirely within enclosed structures, and there shall be no exterior storage of equipment or materials used.
- C. No Exterior Evidence of Activity: There shall be no visible, audible or otherwise perceptible evidence of the conduct of such occupation in the outside appearance of the premises other than a nameplate sign as permitted in the village sign ordinance.
- D. Parking: Any need for parking generated by the occupation above that normally associated with a residential use shall be met off the street and in an actual rear or interior side yard.
- E. Electrical and Fire Regulations: No home occupation shall involve construction features or the use of electrical or mechanical equipment that would result in electrical interference or change the fire rating of the structure or of the fire district in which the structure is located.
- F. Prohibited Occupations: Home occupations shall not include:
 - 1. Any business that involves the regular use of commercial vehicles for delivery of materials to or from the premises in a manner not customary for a residential area;
 - 2. Any activity that creates beyond the boundaries of its lot noise, fumes, odor, dust, electrical interference or pedestrian or vehicular traffic that is more than that normally associated with the uses allowed in the district.
- G. Other Regulations:
 - 1. No more than twenty five percent (25%) of the total first floor space of a dwelling shall be devoted to the home occupation.
 - 2. Home occupations shall comply with all applicable federal, state and local laws and regulations, including, without limitation, obtaining, maintaining and complying with regulations applicable to any required federal, state or local license or permit. (Ord. 07-99, 2-23-1999)
