The Bensenville/Wood Dale Food Pantry gratefully acknowledges your contribution of \$1,000.00 ck#125 toward our Truck Fund. With your help and others we were able to purchase a 2014 15-foot Ford Box Truck.

Reliable transportation is a must for our success. We distribute approximately 20,000 pounds of food each month, receiving food donations from individuals, food manufacturers, retailers, community food drives and from purchasing through Northern Illinois Food Bank in Geneva Illinois.

We are still in the process of hoping to get enough donations to replace our second vehicle, a red extended cargo van, which handles smaller pickups.

Thank you again for your continued support.

Sincerely,

  
Bensenville/Wood Dale Food Pantry
