

BENSENVILLE NEIGHBORHOOD WATCH PROGRAM

Neighborhood & Business Watch program is where the responsibility for our security begins with the police and the community. The main objective is to make Bensenville safer, where we can live work and live in a better environment with crime prevention.

NEXT MEETING:

WHEN: THURSDAY, APRIL 18, 2019 7 PM

LOCATION: BENSENVILLE POLICE DEPARTMENT,
345 E. GREEN STREET

TOPIC: Meet Angel Ramirez, Bensenville's new
Neighborhood Watch Coordinator.

NO RESERVATIONS ARE REQUIRED

Would you like to receive alerts to your cell phone? Send a text to **888777** along with your zip code.

HOW DOES IT WORK?

The program is founded on the principle that it's better to be safe than sorry. This program establishes a closer relationship between the police of Bensenville and you, the community. Residents report suspicious activity to the police when seen. **Members of this program take care of each other through being observant in their daily activities and while traveling through the Village.**

The Bensenville Police will educate you and your neighbors on the importance of keeping criminals out of your neighborhood. **Members are advised to do the following: OBSERVE, LISTEN AND REPORT.** Communication works quickly and effectively by the residents and the police working together. No participants are to take personal risks but should call the police when they see something suspicious.
