**AN ORDINANCE OF THE VILLAGE OF BENSENVILLE, DUPAGE AND COOK COUNTIES, ILLINOIS ASCERTAINING THE PREVAILING RATE OF WAGES FOR LABORERS, MECHANICS AND OTHER WORKERS EMPLOYED ON PUBLIC WORKS PROJECTS IN THE VILLAGE OF BENSENVILLE**

---

**WHEREAS**, the Village of Bensenville, DuPage and Cook Counties, Illinois (the "*Village*") is a duly organized and existing municipal corporation created under the provisions of the laws of the State of Illinois and under the provisions of the Illinois Municipal Code, as from time to time supplemented and amended; and

**WHEREAS**, the State of Illinois (the "*State*") enacted the Prevailing Wage Act, 820 ILCS 130/0.01 *et seq.*, (the "*Act*"), which is an act regulating wages of laborers, mechanics and other workers employed in any public works by the State, County, Village or any public body or political subdivision or by any party under contract for public works; and

**WHEREAS**, it is the policy of the State that a wage of no less than the general prevailing hourly rate as paid for work of a similar character in the locality in which the work is performed, shall be paid to all laborers, workers and mechanics employed by or on behalf of any and all public bodies engaged in public works; and

**WHEREAS**, the Act requires that the Village investigate and ascertain the prevailing rate of wages as defined in the Act for laborers, mechanics and other workers constructing public works in the Village; and

**WHEREAS**, because a portion of the Village is located within the County of DuPage and a portion of the Village is located in the County of Cook, the prevailing rate of wages to be paid in the Village shall be determined by the locality of the work performed; and

**WHEREAS**, the Village has ascertained and examined the prevailing wage classifications and rates most recently determined by the Illinois Department of Labor (the “*Department*”) for the County of DuPage for September 2017 and the County of Cook for September 2017, and as from time to time subsequently supplemented and amended by the Department.

**NOW, THEREFORE, BE IT ORDAINED** by the President and Board of Trustees of the Village of Bensenville, DuPage and Cook Counties, Illinois, as follows:

**SECTION ONE:** That the above recitals and legislative findings are found to be true and correct and are hereby incorporated herein and made a part hereof, as if fully set forth in their entirety.

**SECTION TWO:** That it is necessary and desirable that the Village adopt prevailing wages for workers for the purposes set forth herein.

**SECTION THREE:** To the extent and as required by the Act, the general prevailing rate of wages in the Village, which shall be determined and applied by the locality of the work performed, for laborers, mechanics and other workers engaged in construction of public works is hereby ascertained to be the same as the prevailing rate of wages for construction work in the County of DuPage and the County of Cook, as most recently determined by the Illinois Department of Labor as of September 2017, and as subsequently supplemented and amended from time to time by the Department, a copy of said determination being attached hereto and made a part hereof as Exhibit A.

**SECTION FOUR:** As required by the Act, any and all revisions of the prevailing rate of wages by the Illinois Department of Labor shall supersede said determination and apply to any and all public works and that the definition of any terms appearing in this Ordinance, which are also used in the Act, shall be the same as in the Act.

**SECTION FIVE:** Nothing herein contained shall be construed to apply the prevailing rate of wages as herein ascertained to any work except public works or to the extent required by the Act.

**SECTION SIX:** The prevailing rate of wages as determined herein, or as subsequently revised, shall be included in every contract for public work, and all ordinances, resolutions, calls for bids and bid specifications relating to any public work shall state or provide that any person performing any public works on behalf of the Village shall be required to pay the prevailing rate of wages to all labors, mechanics and other workers employed for such public works. All contractors' bonds, provided by any contractor on any public works for the Village shall provide a guarantee that the contractor will faithfully perform his obligation to pay the prevailing rate of wages as provided by the contract for such projects and in accordance with the Act.

**SECTION SEVEN:** The Village Clerk shall publicly post and keep available for inspection by any interested party in the main office of the Village this determination or any revisions thereof of the prevailing rate of wage.

**SECTION EIGHT:** The Village Clerk shall mail a copy of this determination to any employer, and to any association of employers and to any person or association of employees who have filed their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.

**SECTION NINE:** The Village Clerk shall promptly file a certified copy of this Ordinance with the Illinois Department of Labor.

**SECTION TEN:** The Village Clerk shall cause to be published a public notice in a newspaper of general circulation within the Village to advise the public of the adoption of this

Ordinance, which publication shall constitute legal notice that the determination is effective and that this is the determination of the Village. The Village Clerk may also post on the Village's website a notice of this determination with hyperlinks to the prevailing wage schedules for the County of DuPage and the County of Cook that are published on the Illinois Department of Labor's official website.

**SECTION ELEVEN:** If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity thereof shall not affect any other provision of this Ordinance.

**SECTION TWELVE:** All ordinances, resolutions, motions or orders in conflict with this Ordinance are hereby repealed to the extent of such conflict.

**SECTION THIRTEEN:** This Ordinance shall be in full force and effect upon its passage, approval and publication as provided by law.

### Explanations COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

Explanations DUPAGE COUNTY

IRON WORKERS AND FENCE ERECTOR (WEST) - West of Route 53.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.
