Annual Airfield Tour Held at O'Hare International Airport

Bensenville, IL – On July 25, 2018 Village of Bensenville Staff attended an airfield tour at O'Hare International Airport.

The annual tour was organized by the O'Hare Noise Compatibility Commission for members to get a hands on experience of the O'Hare airfield.

The tour highlighted sections of the airport that are currently under construction or have been completed as part of the O'Hare Modernization Program. A few highlights included seeing snow removal equipment, fire training simulators, a ground run up enclosure for engine testing, and the construction of runway 9C-27C.

ONCC is an inter-governmental agency dedicated to reducing aircraft noise in the communities around O'Hare International Airport. The membership has grown to over 65 members including communities and school districts which are represented by Mayors, Managers, Aldermen, and Superintendents.

Bensenville is an active member of ONCC and continually advocates for residents at monthly board meetings.

About Bensenville: Bensenville is conveniently located just 20 miles west of downtown Chicago in DuPage County, adjacent to O'Hare International Airport, surrounded by major expressways, and boasts several public transportation options including a Metra commuter station. With plenty to offer both families and businesses like brand new schools, great parks, and special events year round, Bensenville really is the "Gateway to Opportunity."
