Re: April 12, 2019 Commercial FOIA Request

Dear Mr. Berger

I am pleased to help you with your April 12, 2019 Commercial Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on April 12, 2019. You requested copies of the items indicated below:

"Location: 12 S. Center St., Bensenville, IL park site located at corner of W. Green St and S. Center St. including land between park and road on this corner. Request what chemicals (such as fertilizer, insect abatement or any other) that was applied to park at W. Green St. & S. Center St last June and July 2018."

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville Email Received from Clarke Environmental on August 1, 2018. (1 pg.)

These are all of the documents that can be discovered responsive to your request.

Section 7(1)(b) of FOIA provided that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person." 5ILCS 140/2(c-5). Consequently, certain unique identifiers have been redacted from the records being provided.

Pursuant to Section 9 of the FOIA, 5 ILCS 140/9, I am required to advise you that I, the undersigned Freedom of Information Officer, reviewed and made the foregoing determination to deny a portion of your FOIA Request as indicated. Should you believe that this Response constitutes an improper denial of your request, you may appeal such by filing a request for review within sixty (60) days of the date of this letter with the Public Access Counselor of the Illinois Attorney General's Office, Public Access Bureau, 500 South Second Street, Springfield, Illinois 62706; telephone 1-887-299-FOIA; e-mail: publicaccess@atg.state.il.us. You may also have a right of judicial review of the denial under Section 11 of FOIA, 5 ILCS 140/11.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen

Hi Jovana,

We performed applications for Music in the Park on June 19th, June 26th, and July 10th. Applications are performed the night before the event to knockdown mosquito activity. With the exception of the week of the 4th of July, we treat this area every Tuesday night thru August 22nd. Please let me know if you have any questions!

Best Wishes,

Hey Emily,

Do you have a record of mosquito spraying on or before July 11 at the 12 S Center area, the park behind the building?
