AmTab opens in 310,000 SF Industrial Space in Bensenville

Bensenville, IL – Village President Frank DeSimone and AmTab President and CEO Doss Samikkannu cut the ceremonial red ribbon while joined by AmTab General Manager Jason Samikkannu, members of the Bensenville Chamber of Commerce, and Village staff. AmTab, located at 600 Eagle Drive in Bensenville is a world-class American manufacturer of tables and booths and other products.

Village President Frank DeSimone welcomed them by saying, “It’s a pleasure to officially welcome AmTab and its 160 employees to Bensenville. We often hear in the media about the plight of American manufacturing but, here in Bensenville, we are honored that businesses such as AmTab proudly display ‘Made in the USA.’”

Guests were lead on a tour of the 310,000 square foot facility which included a newly renovated office area. The facility is broken up into several sections which include office space, production/manufacturing space, loading docks, and showrooms. During the tour, Jason explained how they take raw materials like wood and metal and the process it takes to turn it into their finished product. AmTab also prides themselves on sourcing all their materials from US suppliers and target local businesses as much as possible.

When looking for a new space, AmTab General Manager Jason Samikkannu explained why Bensenville stood out as an ideal location by saying, “This facility provided the opportunity to centralize our operations into one space as well as providing us with room to continue to grow our business. The central location of Bensenville to Chicago and the surrounding suburbs gives us the capability to attract high-quality front office talent and opens us up to a larger pool of the industrial workforce. Operationally, we are now closer to our suppliers and have better shipping options.”

Jason also commended the Village by saying, “The Village staff has been great to work with; our transition was extremely smooth, and this could not have been accomplished without the hard work of everyone at Village Hall. They were instrumental in keeping this project moving for us on a relatively tight timeline.”

About Bensenville: Bensenville is conveniently located just 20 miles west of downtown Chicago in DuPage County, adjacent to O’Hare International Airport, surrounded by major expressways, and boasts several public transportation options including a Metra commuter station. With plenty to offer both families and businesses like brand new schools, great parks, and special events year round, Bensenville really is the “Gateway to Opportunity.” Please visit our website at: www.bensenville.il.us
