Ribbon-Cutting held for MTR Truck Center in Bensenville

Bensenville, IL – On June 14, 2019 a ribbon cutting ceremony was held for MTR Truck Center. The ceremony celebrated the completion of a brand new 12,000 square foot facility located at 910 County Line Road. This new location is adjacent to their existing 11,300 square foot facility in Bensenville. Village Manager Evan K. Summers and MTR Truck Center Owner Eduardo Loya cut the ceremonial red ribbon. They were joined by William Lyons Mitsubishi Fuso Vice President of Sales Operations and other representatives from Mitsubishi Fuso, members of the Bensenville Chamber of Commerce, and Village Staff.

MTR Truck Center pride themselves on being a family owned and operated business. They were originally established in 2002 as Mobile Truck Repair where they specialized in Japanese light and medium duty trucks. Over the years, business continued to grow and they were eventually offered to become a Mitsubishi Fuso franchise.

Because of their continued growth, MTR Truck Center officially moved into this brand new facility earlier in 2019 which contains a sales department, parts department, and additional service bays. They now have a new and used truck inventory, parts, and additional space for servicing vehicles.

About Bensenville: Bensenville is conveniently located just 20 miles west of downtown Chicago in DuPage County, adjacent to O'Hare International Airport, surrounded by major expressways, and boasts several public transportation options including a Metra commuter station. With plenty to offer both families and businesses like brand new schools, great parks, and special events year round, Bensenville really is the "Gateway to Opportunity."
