Dear White Pines Resident,

Over the past few months, our Project Team has been very busy updating our Planning Report, completing our IEPA Loan Application revisions, and beginning to put together our design drawings. We want to thank all of those who have been very accommodating in assisting with locating where your service lines exit your homes. This information will make our design plans more accurate and lead to better bid pricing.

As we continue to move closer to actual construction, there are some steps that we need to take to secure our loan funding for the project. The Village has received preliminary approval of our Planning Report. From the Planning Report, the IEPA has issued the "Project Summary and Preliminary Environmental Impacts Determination (PEID)." We have included a copy of the PEID in this letter.

Prior to formal approval of the project plan, the IEPA requires a Public Hearing to collect the public's comments on the environmental impacts of the proposed project. As such, the Village invites you to a Public Hearing to be held on **Tuesday, July 23rd at 6:30 pm in the Board Room of Village Hall**. At this meeting, public comments pertaining to the PEID will be received. A court reporter will be present to record comments.

As we expect this Public Hearing to be well attended, and in the interest of time, we ask that residents wishing to make comments on the public record come to the meeting prepared with their questions and/or comments. Our Project Team will try to answer all pertinent questions at the meeting, to the best of our ability. If there are questions that the Project Team cannot answer at the meeting, a written response will be provided in the following days. All comments and/or questions will be heard at this meeting. If you are unable to attend the hearing, the comment period will be held open for ten days following the meeting (until August 2, 2019 at 6:30 PM). Comments can be sent (in writing) to the Director of Public Works at 717 E. Jefferson St., Bensenville, IL 60106.

We look forward to seeing you at the Public Hearing.

Sincerely,
