Re: March 24, 2022 FOIA Request

Dear Mr. Becker:

I am pleased to help you with your March 24, 2022 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on March 24, 2022. You requested copies of the items indicated below:

"Please see attached. 729 N. IL Rte. 83."

After a search of Village files, there were no records found responsive to your request.

In regards underground/aboveground storage tanks and hazardous materials; please check with the Illinois Fire Marshal's Office to conduct a search of their files.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen

Received by Employee: _____

As required by ASTM Standard Practice E 1527-13 for environmental site assessments, EPS Environmental Services, Inc. requests to obtain information from the following Village/Town/City department(s) in order to ascertain the *historical uses* and/or occupancy of the following property, to determine if any may have had an environmental impact:

729 Illinois 83
Bensenville, Illinois
PIN(s): 03-11-100-007

From the Building Department (or similar) -

Any records reflecting the permission to construct, alter or demolish improvements on the Property, and which indicate the **Property's original development** and/or past usage history. Additionally, any records with *environmentally significant information*, such as the **installation or removal of underground storage tanks**, or records of complaints, inspections or permits reflecting air emissions, noise, asbestos or hazardous materials.

From the Zoning Department -

The current zoning restrictions; and if available, the historical zoning restrictions on the Property, (i.e., the zoning designation(s) and brief definition(s) only, not the entire ordinance) to determine if the Property's use has changed significantly.

From the Fire Department (Fire Prevention Bureau) –

Any records or inspections on file reflecting the current or previous *storage or use* of hazardous substances or petroleum products, including the **current or historical presence of underground storage tanks** (e.g., *installation, inspection, or removal records*) on the Property, and additionally, any records with **environmentally significant information**, such as hazardous material incidents at or near the Property.

From the Water Department -

Where does the Village/City/Town obtain its water (e.g., deep/shallow wells, via an entity, body of water, etc.) and where is the water collected and treated (e.g. Municipal Water Treatment Plant, entity name)? Is the water is tested periodically for contaminants and is in compliance with all EPA drinking water regulations, unless a local drinking water advisory has been issued. Any and all records as it pertains to potable or groundwater-monitoring wells located on the Property.

From the Sewer Department -

Does the Wastewater and stormwater run-off within the Village/Town/City discharge into separate or combined sewer systems? Which entity collects and treats the sanitary effluent (e.g. MWRDGC, JAWA)? If on a separate system, where does the storm water runoff discharge to (e.g., local waterway, lake, etc.) Any and all records as it pertains to septic systems on the Property

Please forward to the appropriate departments.

Your time and attention to this request are most appreciated.

Thank you,

William Becker
