Re: August 12, 2022 FOIA Request

Dear Ms. Dubiel-Stradley:

I am pleased to help you with your August 12, 2022 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on August 12, 2022. You requested copies of the items indicated below:

*"Any information on 2018 permit for work done on the sewer @ 143 S Addison St."*

After a search of Village files, the following information was found responsive to your request:

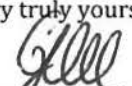

- 1) Village of Bensenville Water Permit Application No. 8389. (5 pgs.)

Section 7(1)(b) of FOIA provided that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords, or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person." 5ILCS 140/2(c-5). Consequently, certain identifiers have been redacted from the records being provided.

Pursuant to Section 9 of the FOIA, 5 ILCS 140/9, I am required to advise you that I, the undersigned Freedom of Information Officer, reviewed and made the foregoing determination to deny a portion of your FOIA Request as indicated. Should you believe that this Response constitutes an improper denial of your request, you may appeal such by filing a request for review within sixty (60) days of the date of this letter with the Public Access Counselor of the Illinois Attorney General's Office, Public Access Bureau, 500 South Second Street, Springfield, Illinois 62706; telephone 1-887-299-FOIA; e-mail: [publicaccess@atg.state.il.us](mailto:publicaccess@atg.state.il.us). You may also have a right of judicial review of the denial under Section 11 of the FOIA, 5 ILCS 140/11.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

  
Corey Williamsen  
Freedom of Information Officer  
Village of Bensenville

I'm Eric Valle, I live in 143 S. Addison and I'm trying to fix my sewer system. I have to fix it myself because I don't have the resources to pay a private company to it. I have two solutions to get it fixed.

First: Dig outside the house by the bathroom. Maybe 5 feet deep x 3" wide and hope the problem is just the connection. "The elbow". Replace it with a new elbow.

Second: Dig outside the bathroom but if I find that the whole pipe is damaged, I'm going to replace it all, by using PVC 4" in diameter or 6" depending on what the original piping is. I might have to dig further.
