

BENSENVILLE

WE WANT TO HEAR FROM YOU!

Thursday,
October 3, 2013
6:00 to 7:30 p.m.

Village of Bensenville
Board Room
12 S. Center Street
Bensenville, IL 60106

Bensenville is moving forward with the creation of a comprehensive plan, which will help guide development and decision making in the Village for years to come. Now it is time to build upon the success of the initial public meeting in June, when participants helped define community values and identified key issues and opportunities in Bensenville.

Please join us on **Thursday, October 3** for a Visioning Workshop, the next step in creating the Bensenville comprehensive plan. At this workshop, you will help determine how Bensenville should look in 2040.

This is a great opportunity to share and discuss the future of Bensenville with your family, neighbors, and friends. Light refreshments will be provided.

Join us and spread the word about the **October 3** meeting—everyone is welcome!

RSVP to Berenice Vallecillos (bvallecillos@cmap.illinois.gov or **312-386-8623**). To learn more about the project, visit www.cmap.illinois.gov/lta/bensenville.
