### **TRAFFIC SIGNAL and EMERGENCY VEHICLE PRE-EMPTION MAINTENANCE**

**PLEASE TAKE NOTICE that Sealed Bids will be received in the Office of the Village Clerk, Village of Bensenville, 12 S. Center, Bensenville IL 60106 until 9:50am local time on Wednesday, November 4, 2015 and, thereafter, immediately publicly opened and read for:**

The Village of Bensenville is seeking a contractor to maintain Village traffic signals and emergency vehicle pre-emption equipment.

Specifications and bid forms can be found at [www.bensenville.il.us](http://www.bensenville.il.us) under "Business". They can also be picked up at the Public Works Department, 717 E. Jefferson, Bensenville IL 60106, or by e-mailing [kkatz@bensenville.il.us](mailto:kkatz@bensenville.il.us), or by calling [630-350-3400](tel:630-350-3400).

All bids require a Bid Bond, or Certified or Cashier's Check made payable to the Village of Bensenville for not less than ten percent (10%) of the bid amount.

Ilsa Rivera-Trujillo  
Village Clerk

## **GENERAL TERMS AND CONDITIONS**

**1. CONDITIONS** – Bidders should become familiar with all conditions, instructions and specifications governing their proposal. Once the award has been made, failure to have read all the conditions, instructions and specifications of their contract is not a reason to alter the original contract or to request additional compensation. The term "Village" in these bid documents means the Village of Bensenville, Cook and DuPage Counties, Illinois.

### **2. BID SECURITY**

**2.1** Each Bid must be accompanied by Bid security made payable to the Village in an amount of ten percent (10%) of the Bidder's maximum Bid price and in the form of a certified or bank check or a Bid Bond.

**2.2** Bid Bonds shall be duly executed by the Bidder as principal and having as surety thereon a surety company approved by the Village, having the minimum equivalent of a Best and Co. 5A Rating.

**2.3** Upon project starting, the Bid deposit will be returned. Failure of the bidder to execute a contract after notice of contract award will result in forfeiture of the Bid deposit. Bid deposit shall be retained by the Village as liquidated damages, not a penalty.

**2.4** Village will return Bid deposits from unsuccessful Bidders if requested after contract is awarded by the Village Board and all documents are executed.

**3. REFERENCES** - Provide a list of four current user contacts with names and telephone numbers in bid submittal.

**4. ADJUSTMENTS TO CONTRACT** - Village reserves the right to adjust the quantities of work, either up or down, dependent upon the current budget or until budgeted funds are depleted without prejudice to the Contract. Payment is based on accepted unit prices.

### **5. COMPLETION TIME, PENALTY AND LIQUIDATED DAMAGES**

**5.1** The start of work is immediately after contract execution.

**5.2** If the CONTRACTOR does not complete the work within the specified Contract time or within allowed extended time, the CONTRACTOR is liable to the Village in the amount of One hundred dollars (\$100.00), as liquidated damages, for each calendar overrun day from the contract time or allowed extended time.

**5.3** Penalty or liquidated damages owed to the Village may be deducted from payments to the CONTRACTOR. If the deduction does not fully equal the CONTRACTOR'S penalty obligation, the CONTRACTOR shall pay the difference to the Village within ten business days after demand for payment. The parties further agree that the liquidated damages represent the minimum damage the Village will sustain for each calendar day of the delay in final completion of the work.

**6. TAX EXEMPT STATUS** – By law, the Village is exempt from paying State or Local Retailer’s Occupation Tax, State Service Occupation and Use Tax, and Federal Excise Tax. The Illinois State Exemption Number will be provided after Contract is awarded.

**7. PRICING** – Bid pricing for goods and services are valid through December 31, 2017.

**8. MULTI-YEAR CONTRACTS** -- Contracts with a duration greater than 12 months require annual renewals to be signed by the Village and Contractor.

**9. Contract Extension & Escalator Clause** – Upon mutual agreement, this contract may be extended for two, one year periods, with the first extension running from January 1, 2018 through December 31, 2018; and the second extension from January 1, 2019 through December 31, 2019.

A one-time economic adjustment for labor, material, and equipment costs shall be allowed for each one year extension to the Contract after the initial one year Contract period. This economic adjustment may not exceed the Chicago-Gary-Kenosha Consumer Price Index (CPI) for the previous twelve month period.

## **SCOPE OF WORK**

Bidding requirements, general terms and conditions, scope of work and other special requirements are all part of the bidding document and contract specifications. Standard specifications of technical or professional societies and federal, state or local agencies referred to shall include all amendments as of the date of advertisement for bids.

**PROJECT** – Traffic Signal Maintenance and Emergency Pre-Emption Maintenance

### **I. TRAFFIC SIGNAL SPECIFICATIONS**

- A.** The contractor will not be responsible for damage to the system beyond his or her control. Such work will be done on order on a time and material basis by authorization of the Director.
- B.** The Village reserves the right to make recovery for damage to any part of the system from the party causing the damage.
- C.** Patrol and visually inspect the Traffic Control System once every eight weeks to assure that each installation and component part is functioning properly and efficiently, and replace as required regardless of cause, any burned out or damaged incandescent lamps, sockets, batteries, broken lenses, broken slip-fitters, and reflectors. Once every eight weeks an inspection will be made on the inside of the cabinet to assure that each installation and component inside the cabinet is functioning properly and efficiently. Replace all burned out LED bulbs with new lamps. All replacement lamps shall be new and of equal or better quality. All replacement LED bulbs shall be in accordance with the latest edition of the “Standard Specifications for Road and Bridge Construction,” section 800. Any group replacement of lamps at an installation, which lamps are of a capacity diverging from the capacity of the original lamps and which installation is covered by a flat-rate contract with a utility company, shall be made in accordance with the provision of service contracts. The date shall be marked on any bulb when replaced.
- D.** Keep signal posts, mast arm poles, baffle plates, visors, control pedestals, foundations, and handholes in proper alignment and adjustment at all times.
- E.** Keep signal posts and control pedestals tight on foundations.
- F.** Keep signal heads and control housings tight on their pedestals and properly adjusted.
- G.** Keep all types of detector equipment including induction loop detectors in proper working order at all times. Maintenance shall include keeping handholes clean and covers free of dirt and silt. All loops shall be sealed on an annual basis; this shall include the replacement of any loop for any reason.
- H.** Keep bolts tight and replace broken bolts in pressure type detectors.
- I.** Check controllers, relays, and detectors at least once every eight weeks to ascertain that they are functioning properly and make all necessary repairs or replacements.

- J.** On request of the Director return all damaged, worn out, and obsolete Village owned equipment to the Village. Otherwise it shall be disposed of by the contractor at his or her expense.
- K.** Maintain proper timing of the control equipment and dial settings of the controllers, detector relays, and amplifiers, as instructed by the Director.
- L.** Maintain proper coordination between interconnected controllers, coordinating unites, and synchronizers for proper timings and maintain all interconnecting cables.
- M.** Keep Interior of control housing clean and in a neat and workmanlike condition.
- N.** Solid state traffic control equipment shall be removed to the shop when the equipment fails to function properly. At that time the equipment will be cleaned and tested for proper timing. A record tag shall be attached to each piece of equipment which will indicate: A) the date of repair, B) location where originally installed; C) any other service work; or D) any other information required by the Director. Equipment shall be returned to the same intersection at which it was originally installed unless otherwise instructed by the Director.
- O.** Keep service pole equipment in working order at all times in cooperation with the utility company.
- P.** Clean, adjust, and overhaul flashing mechanism whenever necessary.
- Q.** Replace burned out fuses.
- R.** Whenever the Director deems it necessary, the contractor shall check the voltage with a voltage recorder of not less than twenty-four hours.
- S.** Two signals heads facing each approach on the opposite side of that approach shall be considered the minimum acceptable signal operation pending permanent repairs. When repairs at a signalized intersection require that the controller be disconnected and power is available, the contractor shall place the intersection on flashing operation and install a flasher if none is provided in the controller cabinet. The signal shall flash red for all directions unless instructed otherwise by the Director.
- T.** Maintain all the inspection plates for traffic signals at all times, and replace any missing regardless of cause.
- U.** Furnish and install temporary controller whenever necessary. The temporary controller must maintain the same sequence as the controller that was originally operating the intersection.
- V.** Respond to emergency calls from authorized parties twenty-four hours a day including Saturdays, Sundays, and Holidays, as indicated on the REPAIR TIME TABLE. Controller failure, lights out, knockdowns, or two red lights out at an intersection are considered emergencies.
- W.** Due to any cause, replace all defective/damaged equipment which is part of the specific traffic control installation or signal system.

- X. The contractor will carry all necessary property damage and liability insurance involving the operation of the signals.
- Y. The contractor will be responsible for group inspecting all LED traffic signal bulbs once every six months and replacing as needed. At inspection, cleaning all reflectors and lenses is required.
- Z. The contractor will paint all painted surfaces of the traffic signals and remote traffic monitoring station on an annual schedule. This schedule shall be submitted to and approved by the Director.
- AA. The contractor shall locate the underground electrical cables and conduit for the Village or any interested party having Village approval. The cost shall be incidental to the contract.
- BB. The four contract locations are all LED. Locations may be added or deleted from this contract at any time per the approved unit cost per intersection.

The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements may be on forms provided by the Village of Bensenville and are to be received and approved by the Village of Bensenville before any work commences. Village of Bensenville may request full certified copies of policies and endorsements.

**13.7 SUBCONTRACTORS ARE PROHIBITED**

**13.8 ASSUMPTION OF LIABILITY** - Contractor assumes liability for all injury to or death of any person(s) including employees of the Contractor, any sub-contractor, any supplier or other person(s) and assumes liability for all damage to property sustained by any person or persons occasioned by or in any way arising out of any work performed pursuant to this agreement.

**14. INDEMNITY/HOLD HARMLESS PROVISION**

To the fullest extent permitted by law, the Contractor agrees to defend, indemnify, and hold harmless the Village of Bensenville, its officials, agents, and employees against all injuries, deaths, loss, damages, claims, patent claims, suits, liabilities, judgments, cost and expenses, which may in anyway accrue against the Village of Bensenville, its officials, agents, and employees, arising in whole or in part or in consequence of the Contractor's performance of this work, its employees, or subcontractors, or which may in anywise result, except that arising out of the sole legal cause of the Village of Bensenville, its agents, or employees, the Contractor shall, at its own expense, appear, defend, and pay all charges of attorney and all costs and expenses arising therefore or incurred in connection with, and if any judgment shall be rendered against the Village of Bensenville, its officials, agents, and employees, in any such action, the Contractor shall at its own expense, satisfy and discharge same. Contractor expressly understands and agrees that any performance bond or insurance policies required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Village of Bensenville, its officials, agents, and employees.

Contractor agrees that to the extent that money is due the Contractor by virtue of this contract as shall be considered necessary in the judgment of the Village of Bensenville, may be retained by the Village of Bensenville to protect itself against said loss until such claims, suits, or judgments shall have been settled or discharged and/or evidence to that effect shall have been furnished to the satisfaction of the Village of Bensenville.

**15. DEFAULT** - The Village may, subject to the provisions specified, by written notice of default to the contractor, terminate the whole or any part of this contract if the Contractor/Vendor fails to:

- A. make material delivery or perform the services within specified time or any extension hereof; or
- B. make progress that endangers contract performance; or
- C. provide or maintain in full force and affect the liability and indemnification coverages or performance bond as required.

If the Board terminates this contract in whole or in part as provided above, the Village may procure, upon such terms and manner as the Village may deem appropriate, supplies or services similar to those terminated, and the contractor shall be liable to the Village for any excess costs for such similar supplies for services; PROVIDED that the contractor shall continue the performance of this contract to the extent not terminated under the provisions of this clause.

**16. ALTERNATE MATERIALS AND EQUIPMENT** - Where specifications read “or approved equal”, contractor shall give written description to Public Works Director for approval. Generally, where specifications indicate a particular brand or manufacturer’s catalog number, it shall be understood to mean that specification or equal, or item that performs a comparable function and is equal thereto to fill the needs of the Village, unless “No Substitutes” is specified. When offering alternatives identify by brand name and catalog number. Also include manufacturer’s literature with the bid. Bidders will be required to furnish samples upon request and without charge to the Village.

**17. BIDDER’S ACCESS TO PROCUREMENT INFORMATION** - All procurement information shall be public record to extent provided in Illinois Freedom of Information Act and Public Act #85-1295 and shall be available to all bidders as provided by such acts.

**18. ACCEPTANCE** - Contracted work is accepted when final payment is made.

**19. PAYMENT** – The Village Board approves payouts to vendors at regular Village Board meetings which typically occur on the second and fourth Tuesdays of the month. Payment is made by check and issued the same week as payout approval. Payouts do not appear on the agenda until the appropriate Village staff has accepted the product to be delivered, or work performed under contract.

**20. PAYMENT WITHHELD** - The Village may withhold, or due to subsequently discovered evidence, nullify the whole or part of any payment certificate to such extent as may be necessary to protect itself from loss on account of:

- a. Defective work not remedied.

- b. Claims filed or reasonable evidence indicating probable filing of claims;
- c. Contractor's failure to properly pay subcontractors or for material or labor;
- d. Damage to other contractors' tools, materials, work or equipment;
- e. Damage to public or private property.

When issues are remedied, payment for amounts withheld because of it will be made.

**21. DEDUCTIONS FOR UNCORRECTED WORK** - If the Village deems it inexpedient to correct work done in accordance with the Contract, an equitable deduction from the Contract price shall be made.

**22. LIENS** – The Village reserves the right to request waivers of lien whether partial or final if the Contractor utilizes subcontractor(s).

**23. REORDERS** - Reorders for the same item(s) shall be furnished at the base contract price or shall be furnished pursuant to a schedule of prices attached by the contractor. Reordering shall be within the sole discretion of the Village.

**24. GUARANTEES AND WARRANTIES**

**24.1** All material, workmanship, services, and purchased commodities will be guaranteed from defects for at least one year, or for the period of time specified in the bid documents, based on the date of completion. Upon notice of defect, bidder shall make necessary repairs, without delay, at no extra charge to the Village. Said time period shall be based on date of completion. Upon written notice of defect, contractor shall make all necessary repairs, without delay, at no extra charge to the Village.

**24.2** All warranties for materials or equipment must be received with title before payment is recommended.

**25. CHANGES/ADDITIONAL SERVICES/DELETIONS** - Requests for changes or modifications to this contract must be submitted in writing and approved by the Village Director of Public Works or designee, prior to such changes or modifications being made. Additional service desired from the contractor under this contract will be requested in writing and the additional charges for these services will be in accordance with the rate submitted on the proposal page and will be agreed to with the contractor prior to additional work starting. If charges for additional services cannot be agreed upon, bids will be requested. The Village reserves the right to negotiate additional services based upon the contractor's price and performance, within all legal constraints.

**26. CHANGE ORDER AUTHORIZATION** - Pursuant to Public Act 85-1295 (720 ILCS 5/33E-1 et seq.) no change order may be made in this contract which authorizes or necessitates an increase or decrease in either the cost of the contract by \$10,000.00 or more, or the time of completion by 30 days or more unless one of the following certifications is made by either the Village Board or designee that:

- a. Circumstances said to necessitate the change in performance were not reasonably foreseeable at the time the contract was signed; or
- b. Circumstances said to necessitate the Change were not within the contemplation of the contract as signed; or
- c. The change is in the best interest of the Village.

*The party authorized to execute the above certification is the Village of Bensenville.*
